CUES's Authorized Dealer, E.J. Equipment, Opens New Sales & Service Center in Wisconsin

May 15, 2024

Orlando, Florida, USA - CUES's authorized dealer, E.J. Equipment, is proud to announce the grand opening of their new sales and service center in Wisconsin on July 1st. This fully staffed and factory-certified center will provide CUES customers with direct access to all levels of customer service, loaner / rental equipment support, and parts / equipment sales. The new location feature offices, inventory, shop, and service space, and further shows the commitment by CUES to provide its customer base with the industry's leading service and after sale support. Whether you're already a CUES customer or new to our family, we invite you to come explore this newest facility. Join us for a firsthand look at our expanded location and let us continue to exceed your expectations in every visit!
