

CUES 2022 NATIONAL SALES MEETING

CUES recently held its annual National Sales Meeting in Clearwater, Florida. The event was held over a three-day period and gathered more than 100 CUES employees, as well as our dealers, to not only celebrate our annual top contributors, but to also learn, connect, and grow.

Throughout the event, CUES leadership and subject-matter experts were on-hand to deliver important presentations to ensure a clear understanding of the entire CUES product line and plans for the future. All attendees left the sales meeting with important information for their own job-knowledge and/or to take back to their customers and potential prospects.

During the event, there was also time for teambuilding and fun. A sense of camaraderie has always been a core value of CUES, and as the company grows, it's important to keep our internal bonds strong. A few of our fun events included a welcome reception on the beach, a sunset dinner cruise in Clearwater Harbor, and an awards dinner night to celebrate all of our accomplishments throughout the year, as well as recognize our award winners.

The CUES NSM honored our 2022 top performing sales employees and dealers. Over the next several weeks, we'll be highlighting these well-earned awards on various social media platforms.

The CUES 2022 NSM was held in Clearwater Beach, Florida, in June, 2022

About CUES, a Subsidiary of SPX Corporation

As the world's leading manufacturer of water, wastewater, and stormwater inspection equipment, CUES provides the necessary tools for both pipeline inspection and repair. For 58+ years, CUES has manufactured the most rugged and reliable pipeline inspection equipment in the industry. CUES also offers a range of advanced systems, such as SONAR, LIDAR, and LASER PROFILING, for those requiring more detailed inspection data. For more information, visit www.cuesinc.com.
