CUES' GraniteNet – American Infrastructure Magazine Brand Survey Winner (Orlando, Florida, USA)

For the 2nd year in a row, CUES' GraniteNet Software is congratulated for being named the 2023 Equipment & Supplier Brand Preference Survey Winner in the **"Sewer Inspection Software"** category that will be featured in the NOV/DEC issue of American Infrastructure Magazine.

American Infrastructure polled their subscriber audiences across their print and digital magazines, e-newsletters, and websites, from August 1st through October 15th. Nominations were taken for their favorite and most trusted brands to determine the results.

For anyone looking to transform their organization from reactive to proactive, CUES' GraniteNet software can provide turnkey solutions to make it happen! Call today for a discussion or demo.

About CUES, a Subsidiary of SPX Corporation - As the world's leading manufacturer of water, wastewater, and stormwater inspection equipment, CUES provides the necessary tools for both pipeline inspection and repair. For 50+ years, CUES has manufactured the most rugged and reliable pipeline inspection equipment in the industry. For more information, visit www.cuesinc.com.
